cleared the trench above me and had landed on the other side.

For the life of me I could not understand it.

The last I had seen of our boys was their wild and seemingly triumphant race straight ahead to the last Hun races at raight ahead to the last Hun red remained of exasperated at the fact that a dozen onet into another lot, and went through surrounded by scores but I had opportunity enough to size them up, and them even when I lay in the trench surrounded by scores but I had opportunity enough to size them up, and the roads, until we saw the vanguards of men had vanished without a murmur. Some of our boys swore that Pritz I for sheer killings.

Another wounded by scores but I had opportunity enough to size them up, and them even when I lay in the trench surrounded by scores but I had opportunity enough to size them up, and them even when I lay in the trench surrounded by scores but I had opportunity enough to size them up, and them to a dozen for them to a first them

KING AND QUEEN RESIDE
IN MILITARY QUARTERS

Not far from the center of the clip
are the residences of the King and
Queen, which in times of peace were
the quarters of military companies,
in keeping with the tendency of the
times, they are severely plain in all
their appointments and surroundings,
and it is difficult for the visitor to
realize that within the plain, ruic
walls are housed the soverign heads
of a nation. The Queen may be seen
almost any day setting out from the
royal residence in an automobile, unroyal residence in an automobile, and
royal residence in the doctors expected the sound at the field us respect to the dea the ladies-in-waiting from the court. The King likewise is a familiar figure on the streets of Jassy. He usually travels by motor, accompanid by one of his generals or military aides. The
